	Virginia Beach Digital Campus (First Time)	Repeat Courses	Fast Track	Boost
Who	Rising 9-12 grade students interested in taking a class for the first-time to accelerate their academic plan or those behind in credits. Available courses are listed on the back of this sheet.	Rising 7-12 grade students who failed a course and need to retake a course. Available courses are listed on the back of this sheet.	Rising 8-12 grade students who must meet the SOL verified credit requirement for graduation. This program is available to students who have passed the class and received credit but did not pass or take the SOL. Available courses are listed on the back of this sheet.	Students interested in building math and/or science skills prior to the start of the school year. Available courses are listed on the back of this sheet.
What	ONLINE first-time courses are offered through VBDC. The summer programming is equal to one year of instruction in the regular school term and the student will receive full credit upon completion of the class.	Face-to-Face Repeat courses will be offered at SALEM HS . Students repeating a course need to complete a one-session summer course. Courses are offered in two sessions: Session 1 and Session 2.	Face-to-Face SOL Fast Track tutoring classes are optional and may be adjusted based on enrollment. The Fast Track Tutoring program consists of 25 hours of face-to-face, small group instruction.	Boost courses consist of 10 or 12 asynchronous lessons that are designed to build the skills necessary for success in math and/or science courses students plan to take in the upcoming school year. Students who need assistance may utilize FEV Tutors .
