Virginia Beach City Public Schools does not require high school students to participate in volunteer/service programs or civic engagement opportunities. However, Kellam High School staff recognize that many of our students do and as such, we encourage and recognize their efforts.

Students, you can begin tracking your volunteer and service hours during the summer after you finish middle school through May of your Senior Year.

Record the date and hours of each project on the Volunteer/Service Hours Log. Make sure you have the person or organization you volunteered for verify your participation and provide contact information. Use this form to document your efforts for resumes, college/employment applications, or requirements of any club(s) or organization(s) of which you are a member.
